I hereby forever and irrevocably waive, release and discharge any and all claims, liability, loss, and damages, including but not limited to claims for property damage, personal injury or death, which I may have or in the future acquire against Cedar Point Yacht Club, its officers, governors, members, employees, volunteers or agents, arising out of or in any way connected with my participation in any race or other activity sponsored or undertaken by any of them, even though such liability may arise out of their negligence or carelessness. ## ADDITIONAL INFORMATION

Boat Storage - Winter Members note that included in your Series or Season entry fee is the privilege of storing your boat in the drystall at CPYC for the duration of the Series that you have paid for. This includes the break between the Fall and Spring Series **only** if you have paid for both series (full Season).

Full-Year CPYC Members note that the Club charges a storage fee which is NOT included in the Frostbite entry fee to the owner of every Laser left at the Club at any time between November 15 and April 15. ***If you will be leaving your boat at the Club overnight at any point during this period of time, you must either prepay this fee with your entry (preferred) or submit a drystall storage application along with a check for storage directly to the Club Bookkeeper prior to leaving your boat at the Club.***

CPYC will charge late fees to the owners or charterers of boats that are not registered and paid for the current Frostbite Series, or stored or left at the Club outside of the period for which storage has been paid. There will be a one-week grace period before and after each Series, although boats ***registered and paid*** for the Fall Series or full Season may be brought to the Club anytime after Labor Day. Boats paid for the Spring Series or full Season, intending to race on Memorial Day weekend, ***must make arrangements with*** the Fleet Captain to be left at the Club without charge until that race date. To remain after the grace period, boat owners ***must*** apply to CPYC and pay for summer or winter storage at the published rates.

Boats brought to CPYC must be registered with the staff upon arrival. The Club is staffed seven days a week from 9 to 5. A label with your name will be printed that must be applied to the transom of your boat so that it may be readily identified. If it is not possible to check-in in person, you must make other arrangements with the staff within 24 hours of the arrival or your boat to avoid late fees. The Club phone number is 203-226-7411.

Please Note: Your Laser hull, your dolly and your cover ***must*** be prominently labeled with ***both*** your name and your sail number prior to being left at the Club.

Regatta scoring – The Fall and Spring Regattas will each count in the scoring as a regular day of the Series and Season, with all competitors counted.
