## ADDITIONAL INFORMATION

**Boat Storage** - Winter Members note that included in your Series or Season entry fee is the privilege of storing your boat in the drydock at CPYC for the duration of the Series that you have paid for. This includes the break between the Fall and Spring Series only if you have paid for both (full Season).

Full-year CPYC members note that the Club will charge a storage fee of \$100, which is NOT included in the Frostbite entry fee, to the owner of any Laser at the Club between November 15 and April 15.

CPYC will charge late fees to the owners or charterers of boats that are not registered and paid for the current Frostbite Series, or stored or left at the Club outside of the period for which storage has been paid. There will be a one-week grace period before and after each Series, although boats registered and paid for the Fall Series or full Season may be brought to the Club anytime after Labor Day. Boats paid for the Spring Series or full Season, intending to race on Memorial Day weekend, may make arrangements with the Fleet Captain to be left at the Club without charge until that race date. To remain after the grace period, boat owners MUST apply to CPYC and pay for summer or winter storage at the published rates.

Boats brought to CPYC must be registered with the staff upon arrival. The Club is staffed seven days a week from 9 to 5. A label with your name will be printed that must be applied to the transom of your boat so that it may be readily identified. If it is not possible to check-in in person, you must make other arrangements with the staff within 24 hours of the arrival of your boat, to avoid late fees. The Club phone number is 203-226-7411.
